Person ID	Problem	App/Website Found [name]/None	Likes	Don't Like	Improvements	Age	Gender	Education/Occupation	Comments
1	No single app which recommends places to eat, events to attend, activities to do based on personal interest.	Event Brite	Can get to know about events and book tickets based on personal interest.	It's only about events	Can add restaurants and activities happening in a location. Not just events. Need little more customization	60	Female	Associate Director	N/A
2	To – do list and calendar tracker for professional and personal commitments.	Todoist	Can add priority to tasks and set reminders	Past activity gets deleted.	Ability to link it with Outlook/Google Calendar to synchronize professional meetings	34	Male	Sales Representative	N/A
3	Remind you or let you control lights, fan from anywhere in the house	Alexa / Google Home can help you control Smart Lights and Fans	Easy to use because it is just voice commands.	The expense to set it up is high	Better UI/UX on the Alexa app	58	Female	Home Maker	N/A
4	Appointment Scheduling and managing app	Picktime	Easy to use and is very flexible to setup appointments.	The free version doesn't offer message notifications.	Has only included one type of payment method. Multiple options would be better	50	Female	Hair Stylist	N/A
